Those taking swimming need a pair of long pants and long sleeve shirt that can be gotten wet. Oversize is not a problem; in fact it is a benefit.

Those in upward bound need to bring a backpack in addition to the above listed items. The troop will furnish the tents.

Fishing poles (optional, unless taking the fishing merit badge)

No need for mess kits unless taking the fishing merit badge.

There may be individual additional items needed for certain merit badges. I will try to get out a customized email to those affected.
